## **MISSION CRITICAL PARTNERS, INC. ADDS CLIENT DEVELOPMENT EXPERT TO ITS TEAM**

### **Lawrence “Larry” Bickford Named Senior Vice President of Client Service**

**STATE COLLEGE, PA, December 15, 2011** — Mission Critical Partners, Inc. (MCP), an innovative consultative leader in mission critical systems and life safety communications, is pleased to announce that Lawrence “Larry” Bickford has joined our firm as Senior Vice President of Client Services. Larry is a leader in government policy having served as a county administrator for over 20 years. Larry strongly advocates for his clients and has a deep insight into government operations and emergency communications.

His belief that we need to focus on emerging 9-1-1 technologies has helped communities come together to enhance their communication centers. Kevin Murray, President, says, “Larry’s energetic approach to problem solving will benefit MCP clients. Larry’s understanding of client needs is a perfect complement to how MCP provides solutions to manage complex issues. We are pleased Larry is on our team.”

Larry earned his Bachelor of Science in Law Enforcement and Corrections from The Pennsylvania State University and is a Fellow with the Institute of Court Management and the National Center for State Courts. Working from the State College, PA office, Larry will serve clients by applying his management experience in blending policy, funding, operations and technology.

MCP provides innovative consultative services for life safety and mission critical systems throughout North America. With a staff of over 35, MCP’s team includes former public safety managers, project management professionals, emergency number professionals and technology, forensic and policy specialists. MCP’s

service areas include: Executive Consulting/Master Planning; NG9-1-1; Facility/Technology Integration; Broadband Deployment; Consolidation Services; Emergency Management Communications; Land Mobile Radio; and Forensics/Systems Analysis. Headquartered in State College, PA, MCP maintains satellite offices in Harrisburg, PA, Pittsburgh, PA and Southlake, TX. Additional MCP information is available at [www.mcp911.com](http://www.mcp911.com).
