**MISSION CRITICAL PARTNERS, INC. CHOSEN TO SUPPORT
THE JOINT LEGISLATIVE COMMITTEE OF THE ILLINOIS NENA AND APCO CHAPTERS
(IL-NENA AND IL-APCO)
Initial Steps in Motion on Road to Enable Next Generation 9-1-1 (NG9-1-1)**

STATE COLLEGE, PA, OCTOBER 21, 2011 — With an eye on the future, the Joint Legislative Committee of IL-NENA and IL-APCO appointed Mission Critical Partners, Inc. (MCP) to work side by side with them to create the statutory language essential to facilitate NG9-1-1 throughout Illinois.

To accomplish this mission, beginning October 14, 2011, MCP and the Joint Legislative Committee will collaborate to review and revise the Illinois Commerce Commission's state statutes, rules and regulations. The MCP team and state 9-1-1 leaders will develop legislative language in alignment with public safety community goals. David Jones, MCP Vice President says, "MCP is thrilled to support IL-NENA and IL -APCO chapters as they move forward with advancing public safety capabilities through 9-1-1 legislation".

MCP provides innovative consultative services for life safety and mission critical systems throughout North America. With a staff of over 30, MCP's team includes former public safety managers, project management professionals, emergency number professionals and technology, forensic and policy specialists. MCP's service areas include: Executive Consulting/Master Planning; NG9-1-1; Facility/Technology Integration; Broadband Deployment; Consolidation Services; Emergency Management Communications; Land Mobile Radio; and Forensics/Systems Analysis. Headquartered in State College, PA, MCP maintains satellite offices in Harrisburg, PA and Southlake, TX. Additional MCP information is available at www.mcp911.com.
