Mission Critical Partners Backs Pennsylvania with Expert IT Consultation Services

STATE COLLEGE, PA, OCTOBER 18, 2011 — Mission Critical Partners (MCP) was awarded a Master Information Technology (IT) Services Invitation To Quality (ITQ) contract with Pennsylvania's Office of Administration (OA), Bureau of IT Procurement on September 21, 2011. Passing rigorous qualifying conditions, the Commonwealth authorized MCP for inclusion in eight IT consulting services categories. MCP is proudly listed on a statewide contract and is now eligible to supply IT consulting services in General/IV-V Project Management/Integrator/Network-Telecom and Disaster Recovery and Cabling Services. MCP has an outstanding reputation in Pennsylvania and looks forward to helping the Commonwealth fulfill their upcoming consulting projects. Sam Kerns, Chief Operating Officer at MCP, says "The ITQ State contract recognizes MCP's expert capabilities and creates new avenues to improve the safety of all Pennsylvania residents".

MCP provides innovative consultative services for life safety and mission critical systems throughout North America. With a staff of over 30, MCP's team includes former public safety managers, project management professionals (PMP's), emergency number professionals (ENP's) and technology, forensic and policy specialists. MCP's service areas include: Executive Consulting/Master Planning; Next-Generation 9-1-1; Facility/Technology Integration; Broadband Deployment; Consolidation Services; Emergency Management Communications; Land Mobile Radio; and Forensics/Systems Analysis. Headquartered in State College, PA, MCP maintains satellite offices in Harrisburg, PA and Southlake, TX. Additional MCP information is available at www.mcp911.com.
